

Skills

On Cobblemon Anomaly, we have various skill trees that players can gain experience in by playing and doing various actions on the server.

- [Trainer Class](#)
- [Farmer Class](#)

Trainer Class

The Trainer skill tree is the main skill on Cobblemon Asteria. In order to level up your trainer level, you will have to catch or register new Pokemon you haven't seen before. Catching Pokemon will reward a larger amount of experience compared to just registering the Pokemon. Leveling up your trainer level will unlock various trainer perks and ultimately allow you to challenge the Asteria League.

Farmer Class

Farmers are the backbone of society in Asteria.
